## ASSEMBLY BILL

**No. 1509**

**Introduced by Assembly Member Spitzer**  
(Principal coauthor: Senator Alquist)

February 23, 2007

---

An act to amend Section 3003 of the Penal Code, ~~and to add Section 6608.6 to the Welfare and Institutions Code~~, relating to sex offenders.

### LEGISLATIVE COUNSEL'S DIGEST

AB 1509, as amended, Spitzer. Sex offenders: community placement.

Existing law, as amended by Proposition 83 of the November 7, 2006, statewide general election, generally regulates the granting and conditioning of parole. Existing law further prohibits an inmate who is released on parole for a violent felony, *as specified*, or a felony inflicting great bodily injury, from being returned to a location within 35 miles of the actual residence of a victim or witness of that felony, upon a victim or witness request and the Board of Parole Hearings or the Department of Corrections and Rehabilitation finds that there is a need for this restriction, as specified.

~~This bill would authorize the Department of Corrections and Rehabilitation, in cases in which as a result of this request the inmate will be released to a place other than the county of last legal residence, to place another parolee in that county, subject to specified notice requirements and opportunity for community input include the crime of continuous abuse of a child as a violent felony; the bill would thereby provide that an inmate released on parole for continuous abuse of a~~

*child shall be subject to the above restrictive placement procedures. The bill would also make technical, nonsubstantive changes to the above provisions.*

~~Existing law authorizes civil commitment for sexually violent predators who have been convicted of certain crimes of a sexual nature against multiple victims. Existing law further permits conditional release of a committed person for one year of community treatment if, after a hearing, the court determines that the committed person does not pose a danger. Existing law, subject to exceptions, generally requires a person who is conditionally released under these provisions to be placed in the person's county of domicile.~~

~~This bill would prohibit a person who is conditionally released under these provisions from being returned to a location within 35 miles of the actual residence of a victim of or a witness to a sexually violent offense committed by the person. However, if housing cannot be located more than 35 miles from the actual residence of the victim or witness within the conditionally released person's county of domicile, the person shall nevertheless be placed in his or her county of domicile, keeping as great a distance as feasible between the victim or witness and the conditionally released person.~~

Proposition 83 permits the Legislature, by a  $\frac{2}{3}$  vote of membership of each house and in accordance with specified procedures, to amend the provisions of the act.

This bill would therefore require a  $\frac{2}{3}$  vote.

Vote:  $\frac{2}{3}$ . Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. Section 3003 of the Penal Code is amended to
- 2 read:
- 3 3003. (a) Except as otherwise provided in this section, an
- 4 inmate who is released on parole shall be returned to the county
- 5 that was the last legal residence of the inmate prior to his or her
- 6 incarceration. For purposes of this subdivision, "last legal
- 7 residence" shall not be construed to mean the county wherein the
- 8 inmate committed an offense while confined in a state prison or
- 9 local jail facility or while confined for treatment in a state hospital.
- 10 (b) Notwithstanding subdivision (a), an inmate may be returned

28 a joint venture program pursuant to Article 1.5 (commencing with  
29 Section 2717.1) of Chapter 5, the paroling authority shall give  
30 serious consideration to releasing him or her to the county where

32 states to the paroling authority that he or she intends to employ  
33 the inmate upon release.
